SALE DAY
PADDLE REG

- + Assign the paddle in my hand to the client in front of me
- + Have my interface configured to register paddles for several, likely configurations of upcoming sales or series of sales or be able to add to any upcoming sale.
- + Note that a client has collected her paddle

MANUAL PADDLE NUMBER ASSIGNMENT PADDLE RANGES

PADDLE REG

- + Paddle Reg always uses paddle numbers from a predetermined range.
100-799 for standard lots and 1000-1399 for premium lots

SALE CREATION

- + During sale creation a range of paddles is chosen for this sale.
example: 300-499 standard, 1200-1299 premium, 1300-1399 super premium
- + Clients assigned the appropriate paddle number are able to bid on premium lots

SALE DAY
PADDLE REG

- + On sale day, Paddle Reg decides how many of each range of physical paddles to take to the sale room.
- + The range of physical paddles is likely missing random numbers.
